*Company Profile*

Established in its own right in 2001, Crown Contracting NY Ltd. is comprised of experienced management and labor force

Crown Contracting NY Ltd has been in business since 2001 and was built on prior experience in the industry. We perform work in the following three categories.:

- *Solar Energy*
- *Reinforced Concrete*
- *Structural Steel*
- *Waterproofing*

*Solar Energy* - Crown Contracting NY Ltd. has expanded into solar energy for installation of photovoltaic systems. We have passed nationally recognized exams and certification and are as such are able to obtain federal and state incentives and rebates. [link](#)

*Reinforced Concrete* - Crown Contracting NY Ltd. performs concrete work on sidewalks and sidewalk vaults, common to New York City. Vault work entails structural steel beams, reinforced concrete and waterproofing over the vault. Crown has extensive experience in this field. [link](#)

*Structural steel* - Installation and replacement of structural steel beams and girders and finish with spray on fireproofing. Naturally, we perform the relevant masonry and interior work to go along with the job. [link](#)

*Waterproofing* - Waterproofing and roofing repair with 15-20 manufacturer's warranty, we well as waterproofing over sidewalk vaults. Waterproofing systems Firestone, Kemper and MiraDry. [link](#)

Crown operates with work permits from the NYC Department of Buildings, Department of Transportation and is also licensed by the NYC Department of Consumer Affairs for Home Improvement sales, contracts and construction.

You can learn a little more about us and see some photos of typical work on our website, [www.CrownContractingNY.com](http://www.CrownContractingNY.com).

Sincerely,

*Mishel Perets*  
*President*
